Re: Docket DOT-OST-1997-2515
Essential Air Service at Kirksville, Missouri

Dear Mr. Schlemmer,

American Airlines, Inc. enthusiastically supports the proposal of Hyannis Air Service, Inc. *dba Cape Air* to provide Essential Air Service for Kirksville Regional Airport (IRK) serving Kirksville, Missouri to St. Louis Lambert International Airport (STL). If Cape Air is re-selected to serve Kirksville, American Airlines would be delighted to continue our existing codeshare agreement with Cape Air, and provide to the Kirksville community seamless booking and travel on American Airlines' worldwide network.

American Airlines offers customers 6,800 daily flights to more than 365 destinations in 61 countries from its hubs in Charlotte, Chicago, Dallas-Fort Worth, Los Angeles, Miami, New York, Philadelphia, Phoenix, and Washington, D.C. We would be honored to continue connecting Kirksville to our powerful global network. With a shared purpose of caring for people on life's journey, American's 130,000 global team members serve more than 200 million customers annually. American was recently named a Five Star Global Airline by the Airline Passenger Experience Association and Airline of the Year by *Air Transport World*. American is a founding member of **oneworld®**, whose members serve 1,100 destinations in 180 countries and territories.

Thank you for your kind consideration.

Sincerely,

A handwritten signature in black ink that reads "Robert A. Wirick".
