Dear Mr. Raggio and Mr. Schlemmer, pursuant to our conversation this morning and your request for clarification I am writing to clarify that in our application for Alternate EAS (AEAS) at Crescent City it is our intention to utilize the AEAS grant to contract with a Public Charter Part 380 carrier (Contour Airlines) for service to Oakland International Airport (OAK). I trust this clarification is sufficient for your needs however should you need any additional clarification please do not hesitate to contact me. Thank you.
