Greetings All:

I would like to update you on the Essential Air Service (EAS) situation Alamosa, as well as give you an opportunity to offer any comments for the formal record before we submit a recommendation to the Deputy Assistant Secretary for Aviation and International Affairs. As you may know, the Department issued Order 2020-3-2 (March 11, 2020), requesting proposals from air carriers interested in providing EAS at Alamosa, for a new term beginning October 1, 2020. In response to the Department's request, Boutique Air, Inc., Key Lime Air d/b/a Denver Air Connection, and SkyWest Airlines, Inc. submitted proposals for consideration.

I have attached those proposals to this email and expect them to be uploaded on www.regulations.gov sometime this afternoon. I request that you review the proposals and submit any comments you may have as soon as possible, but no later than May 6, 2020. Please send your comments directly to me via e-mail at scott.faulk@dot.gov. Also, please forward this email to all relevant parties that I have not included on the distribution list.

Feel free to contact me if you have any questions.

Kind Regards,
Scott Faulk
