CORVUS AIRLINES, INC.

NOTICE OF REGISTRATION OF TRADE NAME

On July 12, 2021, Corvus Airlines, Inc. d/b/a Ravn Alaska (“Corvus”), a U.S. certificated air carrier,¹ requested that the U.S. Department of Transportation (the “Department”) register the trade name “Ravn Connect” for use in its air transportation operations.

Part 215 (14 CFR Part 215) of the Department’s regulations provides that any air carrier wishing to use an alternative trade name must first register that name with the Department. The rule further states that the Department may register such name after the air carrier gives notification to similarly named air carriers of the proposed use of the name. In this case, our review has revealed no similarly named air carriers.²

Since Corvus has complied with the requirements of Part 215, we acknowledge the registration of the trade name “Ravn Connect” for use in Corvus’ air transportation operations, effective immediately.

Dated at Washington, D.C., September 23, 2021.

¹ See Order 2020-11-18, issued November 20, 2020.

² On January 30, 2014, the Department acknowledged, among other things, the registration of the trade name “Ravn Connect” for use by Hageland Aviation Services, Inc. (“Hageland”), a U.S. certificated air carrier. Hageland operated using this trade name until it ceased operations in April 2020. By Order 2021-9-26, the Department revoked the certificate of Hageland. Therefore, the trade name “Ravn Connect” is no longer being used by another air carrier.
