Hello Michael – I am writing to update the U.S. Department of Transportation (DOT) regarding the letter sent by Alaska Airlines to DOT January 16, 2020 regarding service to Gustavus, Alaska (GST). In light of the current COVID-19 crisis and reduction in travel, Alaska Airlines will no longer be starting early service to GST so therefore will be reverting back to the original start date for GST service of June 4, 2020 as specified in Order 2019-4-10.

Sincerely,

Kate Geldaker
Director of Government Affairs
