Good Afternoon Michael,

We would like to thank you for presenting Silver Airways' proposal to re-submit our bid for service to Presque Isle, Maine and we understand that a re-bid will not be permitted at this stage of the selection process. Although we were looking forward to providing amazing service to the community, the fallout from the Covid-19 pandemic would not allow us to serve these routes profitably and we must respectfully and reluctantly withdraw. Please let me know if you have any further questions and have a nice day.

Kind Regards,

Katie Loughlin
