Please keep the service to Altoona. I live in Dallas and this is a way for me to get home. If not for COVID19 I would have traveled several times to AOO this year. I am looking forward to traveling as soon as I can. If times could be coordinated with American Airlines that would be wonderful.

Making it a little easier to coordinate/purchasing the flights with AA would be extremely helpful too. Being able to store your information so you do not have to re-enter would be helpful too.

Thank you for your support of the service into Altoona.
