Please keep Southern Airlines in Altoona. It's a great airline for shuttling to other major airports. It's reliable and friendly.

- Southern has delivered the best air service results in the last 8 years.
- Southern's reliability and on-time performance are of the best in the country.
- Southern's aircraft has more personal space and luggage capacity than any other 9-seat aircraft.

Thank you for your consideration.

Pat Jones (satisfied customer)
