To whom it may concern,
I'd like to endorse Southern Airways as the continued Altoona provider. I have used the flight service on numerous occasions to fly between AOO, PIT and BWI. I have also booked flights for family members to fly on these routes and have always been very pleased with the professionalism of the service, timeliness, and comfort on board the flights.

As someone from Blair County who still has many family members residing in Blair County, it is wonderful to have the connectivity of Southern to easily reach them or for them to visit me.

I urge you to keep Southern as the servicer of the county.

Thank you,
Rachael England
