Our family greatly appreciates having Southern Airways as a convenient flight choice in Altoona. The crew and staff are professional, cordial and extremely helpful. Southern Airways maintaining their schedules with very few cancellations makes travel plans seamless. Previous airline carriers at the Altoona airport have been very unreliable and it was always a hit or miss situation as to whether the flight schedule would be kept. Since Southern Airways has been at Altoona, our family has not missed a flight connection.

Thank you,
Trudy Dilling
