Charter operations between the Kingdom of Belgium and the United States of America

This is to confirm that the Belgian Civil Aviation Authority, on the basis of reciprocity, will approve requests from US-designated airlines to perform seventh freedom passenger/combi charter operations on the understanding that the US Government will approve similar requests from Belgian designated airlines.

Confirmation of reciprocity for 5th and 6th freedom charter operations is unnecessary since those rights are already granted under the EU-US Comprehensive agreement.

Patrick Vanheyste
Director General a.i.
