Subject: Humanitarian flight operations

Respected Mr. Dickson

The Colombian Civil Aviation Authority (Unidad Administrativa Especial de la Aeronáutica Civil – Aerocivil) is pleased to greet you.

We allow ourselves to inform you that the Fast Colombia S.A.S., a Colombian carrier, intends to carry out humanitarian flight operations between the United States and Peru. The purpose of this operation is the repatriation of nationals from the two countries to the corresponding State.

Regarding that the Colombian Civil Aviation Authority allows itself to offer reciprocity to the United States of America if eventual requests are made by any American airline, as the traffic rights to be exercised are not agreed in the current bilateral instrument between Colombia and the USA.

Cordially,

LUCAS RODRÍGUEZ GÓMEZ
Chief of Air Transport Office
