Good afternoon Mr. Martin,

I am reaching out to share the Bar Harbor Chamber of Commerce's support for Cape Air in your evaluation for EAS at the Hancock County Bar Harbor Airport. The team at Cape Air has been extremely supportive of our Chamber and the community in Bar Harbor. I can also personally attest to the exceptional service the airline provides to passengers, having taken numerous flights with them in all seasons.

I trust that the parties responsible for evaluating the proposals will do a thorough job in choosing the next carrier to serve our region. I am hopeful that we will have the pleasure of continuing to work with Cape Air for the next several years.

If I can be of any further assistance in this process please let me know.

Best regards,

Alf Anderson
