NOTICE OF TIER 1 AGREEMENTS FILING

Pursuant to statements submitted by Member airlines of the International Air Transport Association (IATA), the undersigned has been constituted to be their attorney-in-fact for filing with the Department of Transportation copies of agreements adopted by the IATA Traffic Conferences.

On their behalf, and pursuant to the procedures specified in Order 2012-4-18 (13 April 2012), I am filing with the Department, in Docket OST-2012-0058, this Notice, the subject agreements and supporting documentation. These agreements are Tier 1 agreements tentatively exempted by Order 2012-4-18 from Condition #2 to the Department's approval of the Provisions for the Conduct of the IATA Traffic Conferences, which condition requires pre-implementation Department review. The intended effective date of the agreements is 1 June 2020.

The subject agreements amend or establish Resolutions and/or Recommended Practices that do not address subject areas which the Department has indicated it still chooses to review under Condition #2. The text of the agreements and other conference documentation sent to airline Members of IATA accompany this Notice. The cover pages of the documentation clearly identify each affected Resolution and/or Recommended Practice and show whether the subject agreements are amendments or new agreements. Other pages provide the text of each subject agreement. Where an affected Resolution or Recommended Practice has previously been exempted from Condition #2 by Department action, the cover pages include the appropriate

docket and order number. The cover pages include a summary to explain the nature and purpose of the subject amendments and/or agreements.

Respectfully submitted,

/s/ Douglas Lavin
