DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on July 13, 2020

NOTICE OF ACTION TAKEN -- DOCKET DOT-OST-2014-0183

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of **REPUBLIC AIRWAYS INC. (Republic)**¹ filed **6/12/20** for:

XX Renewal of exemption for two years under 49 U.S.C. 40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between a point or points in the United States and a point or points in the Dominican Republic.²

Applicant reps: **Robert E. Cohn and Patrick R. Rizzi (202) 637-4999/5659**

DOT Analyst: **Darren Jaffe (202) 366-2512**

DISPOSITION

XX **Granted** (subject to conditions, see below)

The above action was effective when taken: **July 13, 2020**, through **July 13, 2022**, or until 90 days after final Department action on Republic's pending certificate request in Docket DOT-OST-2007-0084, whichever comes first.

**Action taken by: Esta Rosenberg, Acting Director
Office of International Aviation**

XX The authority granted is consistent with the aviation agreement between the United States and the Dominican Republic of 1986 and the overall state of aviation relations between the United States and the Dominican Republic.

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated: **XX** **Holder's certificates of public convenience and necessity**
XX **Standard exemption conditions (attached)**

Conditions: The code-share operations conducted under this authorization are subject to the following conditions:

- (a) The code-sharing operations conducted under this authority must comply with 14 C.F.R. 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in computer reservation systems and elsewhere; that the carrier selling such transportation (i.e., the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations

¹ By Order 2019-2-21, the Department reissued authority held by Republic Airline, Inc. to reflect the carrier's change in its corporate name to Republic Airways Inc.

² Republic states that it continues to need this exemption authority to accommodate the service requirements of its fee-for-service/code-share partners, and to provide attractive service options for travelers seeking convenient service to and from the Dominican Republic.

established in its contract of carriage with the passenger; and that the passenger liability of the operating carrier be unaffected; and

- (b) The authority granted here is specifically conditioned so that neither Republic nor its code-share partners shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the exemption services authorized.

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
