**Subject:** EAS proposals and request for community comments at Egegik, AK

Greetings,

I would like to update you on Essential Air Service (EAS) at Egegik, Alaska, as well as give you an opportunity to offer any additional comments on the record before we submit a recommendation to the Deputy Assistant Secretary for Aviation and International Affairs.

We issued Order 2021-8-6 (August 10, 2021), requesting proposals from airlines interested in providing EAS, with a due date of September 13, 2021. In response to our request, we received proposals from Grant Aviation and Tanana Air Service.

I have attached the proposals for your review, which can be found soon on [www.regulations.gov](http://www.regulations.gov). I request that you review them and submit any comments you may have as soon as possible, but no later than October 13, 2021. Please send your comments directly via e-mail to [michael.gormas@dot.gov](mailto:michael.gormas@dot.gov).

Best Regards,
