DISPOSITION

Action: Approved.

Action date: August 5, 2020

Effective dates of authority granted: August 5, 2020, through August 5, 2022.

Basis for approval (bilateral agreement/reciprocity): U.S.- Haiti Air Transport Agreement.¹

Except to the extent exempted/waived, this authority is subject to the terms, conditions, and limitations of our standard exemption conditions (attached).

Special conditions/Remarks: Sunrise may conduct the operations authorized here only by using aircraft wet-leased from a duly authorized and properly supervised U.S. or foreign air carrier. Sunrise may not conduct U.S. operations with its own aircraft and crews without further action by the Department.²

Action taken by: Brian J. Hedberg, Director, Office of International Aviation

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) the applicant was qualified to perform its proposed operations; (3) grant of the authority was consistent with the public interest; and (4) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted/deferred/dismissed, we denied all requests in the referenced Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
