Joanne/David,

We still need a few items as follows:

- (1) A001 of the OpSpecs
- (2) A recent balance sheet for Western Air Charter
- (3) A new OST form 6410. One OST form 6410 had box A checked when box B should now be checked since the air carrier will now be certificated. You cannot be an air taxi and a certificated air carrier. Once you become certificated all your ops are certificated ops.

Best regards,

Damon
