**The code-share operations authorized here are subject to the following conditions:**

(a) The statement of authorization will remain in effect only as long as (i) Eurowings Europe, Austrian, and United continue to hold the necessary underlying authority to operate the code-share services at issue, and (ii) the code-share agreement providing for the code-share operations remains in effect.

(b) Eurowings Europe, Austrian, and United must promptly notify the Department if the code-share agreement providing for the code-share operations is no longer effective or the carriers decide to cease operating the approved code-share services. Such notice should be filed in Docket DOT-OST-2020-0008.<sup>1</sup>

(c) Eurowings Europe, Austrian and/or United must notify the Department no later than 30 days before they begin any new code-share service under the code-share services authorized here. Such notice shall identify the market(s) to be served and the date on which the services will begin. Such notices shall be filed in Docket DOT-OST-2020-0008.<sup>2</sup>

d) The code-sharing operations conducted under this authority must comply with 14 CFR 257 and with any amendments to the Department's regulations concerning code-share arrangements that may be adopted. Notwithstanding any provisions in the contract between the carriers, our approval here is expressly conditioned upon the requirements that the subject foreign air transportation be sold in the name of the carrier holding out such service in the computer reservation systems and elsewhere; that the carrier selling such transportation (i.e., the carrier shown on the ticket) accept responsibility for the entirety of the code-share journey for all obligations established in its contract of carriage with the passenger; that the passenger liability of the operating carrier be unaffected; and that the operating carrier shall not permit the code of its U.S. code-sharing partner to be carried on any flight that enters, departs, or transits the airspace of any area for whose airspace the Federal Aviation Administration has issued a flight prohibition.

(e) The authority granted here is specifically conditioned so that neither Eurowings Europe, Austrian, nor United shall give any force or effect to any contractual provisions between themselves that are contrary to these conditions.

(f) We may amend, modify, or revoke the authority granted at any time without hearing at our discretion.

<sup>1</sup> We expect this notification to be received within 10 days of such non-effectiveness or of such decision.

<sup>2</sup> Consistent with the Department's Notice in the Matter of Blanket Notification of Code-Share Service to Open-Skies Partners and Points, dated February 9, 2009, Eurowings Europe provides a blanket 30-day notice for the open-skies code-sharing as described in its application. Eurowings Europe states that it will notify the Department regarding any code-sharing involving service to points in non-open skies countries.
