**APPLICATION FOR ALLOCATION FROM U.S.-HAVANA
CHARTER POOL OF SWIFT AIR, LLC d/b/a iAERO AIRWAYS (“iAERO”)**

iAero hereby applies for an allocation of 68 round trip charter flights from the 2020/21 U.S.-Cuba charter pool established in Order 2020-5-7 to be operated on behalf of Invicta.¹

In response to the Order, iAero respectfully submits the following information:

1. Currently, Invicta is authorized to operate 129 MIA-HAV charters and has filed its intention to operate from September 1 through February 28, 2021. If awarded the 68 flights it seeks, Invicta would operate the schedule of 197 flights reflected in Exhibit 1.

2. The flights will operate between Miami and Havana.

3. A copy of the charter agreement between iAero and Invicta was previously submitted under separate cover subject to a request for confidential treatment under Rule 12 of the Department’s procedural regulations (14 CFR § 302.12). The only change in the agreement is the new schedule, which is attached to Exhibit 1.

¹ Order 2020-5-7 (issued May 28, 2020) (hereinafter, the “Order”).

4. This Application will be served on interested parties appearing on the service list. Because iAero is not requesting more than 30 charters in any calendar month, interested parties will not be polled.

WHEREFORE, iAero respectfully requests that the Department award it 68 round trip charter flights from the 2020-21 charter pool established in the Order.

Dated: July 23, 2020

Respectfully submitted,
