**Subject:** Contract length EAS Diomedes

Hi Scott and Travis, today the Tribal Council for the Native Village of Diomedes met and considered the question regarding their preference for the length of the EAS contract with Pathfinder, per the inquiry from US DOT. on behalf of the Tribe, their response is that they would prefer a multi-year contract, and feel that three years is a good contractual period. The current contract was for three years and worked well.

If you have any further questions in this process please let me know.

Thank you,

John
