DEPARTMENT OF TRANSPORTATION
OFFICE OF THE SECRETARY
WASHINGTON, DC

Issued by the Department of Transportation on March 18, 2020

NOTICE OF ACTION TAKEN -- DOCKET DOT-OST-2020-0027

This serves as notice to the public of the action described below, taken by the Department official indicated (no additional confirming order will be issued in this matter).

Application of **SILVER AIRWAYS LLC (Silver)** filed **2/25/20** for:

XX Exemption for two years under 49 U.S.C. 40109 to provide the following service:

Scheduled foreign air transportation of persons, property, and mail between the United States and each of Anguilla, Antigua and Barbuda, Dominica, and the British Virgin Islands.¹

Applicant representatives: **Jonathon H. Foglia and Barbara M. Marrin (202) 298-8660**

DOT Analyst: **Darren Jaffe (202) 366-2512**

DISPOSITION

XX **Granted** (subject to conditions, see below)

The above action was effective when taken: **March 18, 2020**, through **March 18, 2022**.

Action taken by: Brian J. Hedberg, Director
Office of International Aviation

XX **The authority granted is consistent with the U.S.-U.K. Air Transport Agreement of 1977, as amended.**

Except to the extent exempted or waived, this authority is subject to the terms, conditions, and limitations indicated:

XX **Holder's certificate of public convenience and necessity**
XX **Standard exemption conditions (attached)**

On the basis of data officially noticeable under Rule 24(g) of the Department's regulations, we found the applicant qualified to provide the exemption services authorized.²

Under authority assigned by the Department in its regulations, 14 CFR Part 385, we found that (1) our action was consistent with Department policy; (2) grant of the authority was consistent with the public interest; and (3) grant of the authority would not constitute a major regulatory action under the Energy Policy and Conservation Act of 1975. To the extent not granted, we denied all requests in the referenced

¹ In its application, Silver stated that it planned to use its ATR-72 aircraft on routes covered in its application beginning in the Spring of 2020.

² Silver currently holds authority to serve Anguilla, Antigua and Barbuda, Dominica, and the British Virgin Islands only with small aircraft. By Order 2019-11-12, we found Silver fit, willing, and able to conduct interstate and foreign scheduled air transportation of persons, property, and mail with large aircraft. We separately awarded Silver authority to serve the Bahamas with ATR-72 aircraft. See Notice of Action Taken in Docket DOT-OST-2019-0080, issued November 19, 2019. The foreign air transportation services authorized here are not markedly different in terms of aircraft size or stage length from the operations under the carrier's existing authority. We, therefore, find that Silver is qualified to provide the proposed air transportation for the period covered by the exemption.

Docket. We may amend, modify, or revoke the authority granted in this Notice at any time without hearing at our discretion.

Persons entitled to petition the Department for review of the action set forth in this Notice under the Department's regulations, 14 CFR §385.30, may file their petitions within seven (7) days after the date of issuance of this Notice. This action was effective when taken, and the filing of a petition for review will not alter such effectiveness.
