To Whom It May Concern:

This letter is written in support of Alaska Airlines' request for an exemption submitted to DOT for Alaska Airlines to align its service at **[King Salmon (AKN) / Dillingham (DLG)]** for the summer of 2020 with at least the level of service our community has received from Alaska Airlines during previous years.

Our community is pleased with our continued relationship with Alaska Airlines and its past seasonal service. As we know all too well in rural Alaska, air service is more critical than ever right now and Alaska Airlines continues to be a valued partner as we address the needs of the community during this crisis and as we enter into our busy summer season.

Please call me if I can provide anything further.

Thank you.
