FAFSA® Privacy Act Statement

Authority: Sections 483 and 484 of the Higher Education Act of 1965, as amended, give us the authority to ask these questions, and to collect Social Security numbers (SSN), from both you and your parents.

Purpose: We use the information provided on your Free Application for Federal Student Aid (FAFSA®) form to determine if you are eligible to receive federal student aid and the amount that you are eligible to receive. Your SSN is used to verify your identity and retrieve your records. We may request your SSN again for these purposes. State and institutional student financial aid programs also may use the information provided on your FAFSA® form to determine if you are eligible for school or state aid, in addition to federal aid.

Routine Uses:

State Certification:

The Department may disclose information to a federal or state agency or a fiscal or financial agency designated by the U.S. Department of the Treasury for the purposes of identifying, preventing, or recouping an improper payment.

We may send information regarding a claim that is determined to be valid and overdue to a consumer reporting agency. This information includes identifiers from the record; the amount, status and history of the claim; and the program under which the claim arose.

Effects of Not Providing Information: Providing information, including your SSN, is voluntary; however, if you do not give us all the information we need to process your FAFSA® form, your aid may be delayed or denied. If you are applying solely for federal aid, you must answer all of the following questions that apply to you and are requested: X–X. If you want to apply for state financial aid, you must answer all the relevant questions.

State Certification: By submitting this application, you are giving your state financial aid agency permission to verify any statement on this form and to obtain income tax information for all persons required to report income on this form.

The Paperwork Reduction Act of 1995: According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless such collection displays a valid OMB control number. The valid OMB control number for this information collection is 1845-0001. Public reporting burden for this collection of information is estimated to average one and a half hours per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. The obligation to respond to this collection is voluntary. If you have comments or concerns regarding the status of your individual submission of this form, please contact the Federal Student Aid Information Center, P.O. Box 84, Washington, D.C. 20044 directly. (Note: Please do not return the completed form to this address.)

We may request additional information from you to process your application more efficiently. We will collect this additional information only as needed and on a voluntary basis.
Under penalty of law, I certify that I am the individual associated with the FSA ID log-in credentials used to access the FAFSA form to provide the necessary approval and consent for the disclosure and use of my federal tax information (FTI) from the U.S. Department of the Treasury. By completing the consent and signature question, I approve and consent to:

- The U.S. Department of Education to disclose my Social Security number, last name, and date of birth to the U.S. Department of the Treasury in order to obtain my FTI only for the purpose of determining the eligibility for, and the amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under subpart 1 of Part A, Part C, or Part D of Title IV of the Higher Education Act of 1965, as amended.

- The use of my FTI by U.S. Department of Education officials and contractors (as defined in 26 U.S.C. § 6103(l)(13)), only for the purpose of determining the eligibility for, and amount of, federal student aid for myself or of others for which I participated and shared my FTI by a program authorized under Title IV of the Higher Education Act of 1965, as amended.

- The U.S. Department of Education to redisclose my FTI received from the U.S. Department of the Treasury, pursuant to 26 U.S.C. 6103(l)(13)(D)(iii), which includes:
  - institutions of higher education participating in the federal student aid programs authorized under the Higher Education Act of 1965, as amended;
  - state higher education agencies; and
  - scholarship organizations designated prior to Dec. 19, 2019, by the Secretary of Education.

- The use of my FTI for the application, award, and administration of student aid awarded by the federal government, institutions of higher education, state higher education agencies, and designated scholarship organizations.

- The redisclosure of my FTI to any future 2024−25 FAFSA forms for which I elect to participate (e.g., if I elect to participate in my child’s FAFSA form or to complete my own FAFSA form after participating in another FAFSA form). My FTI will be redisclosed to these additional applications upon my affirmation to participate. I understand that I may decline an invitation to participate, which will prevent the transfer of my FTI to that FAFSA form.

By approving and consenting, I further understand:

- My approval and consent are a condition of my eligibility or of others for which I have participated and shared my FTI for federal student aid, even if I did not file a U.S. federal tax return.

- If I do not approve and consent to the disclosure of my FTI, the U.S. Department of Education will be unable to calculate my eligibility for federal student aid or the eligibility of others who have requested that I share my FTI on their FAFSA form.

- I am permitted to revoke my approval and consent for the disclosure and use of my FTI, as outlined herein, at StudentAid.gov. However, by revoking such approval and consent, neither I nor other applicants for which I participated and shared my FTI will be eligible for future federal student aid and/or other financial aid program that used FTI to make determinations for eligibility of aid awarded by an institution of higher education, state higher education agency, or other designated scholarship organization.

If you sign this application, you certify that you are the person identified. If you purposely give false or misleading information, you may be fined up to $20,000, sent to prison, or both.

Who must provide information on the FAFSA form?
The FAFSA form has five sections: Student, Student Spouse, Parent, Other Parent, and Preparer.

Student
The student must always complete the Student section.

Student Spouse
If the student's current marital status, as indicated in question 3, is married or remarried, the student's spouse must complete questions 25 and 26 of the Student Spouse section. The spouse must also complete questions 27–29 if the student answered “No” to “Did or will the student file a 2022 joint tax return with their current spouse?”, in question 19.

Parent
The student's parent must complete the Parent section if all of the following statements are true:

• The student was born after the year 2000.
• The student's current marital status, as indicated in question 3, is single (never married), divorced, separated, or widowed.
• The student's college grade level, as indicated in question 4, will be first-year, second-year, or other undergraduate.
• The student selected “None of these apply” in question 5, and answered “No” in questions 6 and 7.

If all the above statements are true, the student is considered to be dependent, and the student's parent must complete the Parent section, even if the student does not live with a parent (see “Who is considered a legal parent on the FAFSA form?” and “Which parent should include information?”, below).

If any of the above statements are not true, the student is considered to be independent, and parent information should not be provided.

If all the above statements are true, but the student answered “Yes” and selected “None of these apply” in question 6, or else answered “Yes” in question 7, the student is considered to be provisionally independent. In this case, the student should submit the FAFSA form with the Parent and Other Parent sections left blank and then contact the college’s financial aid administrator for further guidance.

Other Parent
If the student's parent is required to provide information in the Parent section, and that parent’s current marital status, as indicated in question 32, is married, remarried, or unmarried and both legal parents living together, the student’s other parent must complete questions 42 and 43 of the Other Parent section. The other parent must also complete questions 44–46 if the parent answered “No” to “Did or will the parent file a 2022 joint tax return with their current spouse?”, in question 37.

Preparer
If someone other than the student, student spouse, parent, or other parent completed this form on the applicant’s behalf, that person must complete the Preparer section. Paid preparers are prohibited.

Who is considered a legal parent on the FAFSA form?
Legal parents are biological or adoptive (regardless of gender), or as determined by the state (for example, if the parent is listed on the birth certificate), Grandparents, foster parents, legal guardians, widowed stepparents, aunts, uncles, and siblings are not considered parents on this form unless they have legally adopted the student.

Which parent should include information?

• If the student’s parent was never married and does not live with the student’s other legal parent, or if the parent is widowed and not remarried, that parent should only provide their own information in the Parent section, and the Other Parent section should be skipped.

• If the parents are divorced or separated, answer the questions about the parent who provides the greater portion of the student’s financial support, even if the student does not live with them. If this parent is remarried as of today, answer the questions about that parent and the stepparent.

• If the student’s widowed parent is remarried as of today, answer the questions about that parent and the stepparent.

Can I skip any questions?
Some questions can be skipped in certain circumstances:

Student
Skip questions 7 and 8 if any of the following are true:

• You were born prior to the year 2001.
• Your current marital status is married (not separated) or remarried, as indicated by question 3.
• Your college grade level in 2024–25 will be “College graduate, professional or beyond,” as indicated in question 4.

Skip questions 9, 10, 18, and 21 if all of the following are true:

• You were born after the year 2000.
• Your current marital status is single (never married), divorced, separated, or widowed.
• Your college grade level, as indicated in question 4, will be first-year, second-year, or other undergraduate.
• You selected “None of these apply” in question 5, and answered “No” in questions 6 and 7.

Student Spouse
If student spouse information must be provided, skip questions 27–29 if the student answered “Yes” to “Did or will the student file a 2022 joint tax return with their current spouse?”, in question 19.

Parent
If parent information must be provided, then all questions in the Parent section must be answered.

Other Parent
If the information of the student’s other parent must be provided, skip questions 44–46 if the parent answered “Yes” to “Did or will the parent file a 2022 joint tax return with their current spouse?”, in question 37.

Identity Information – Questions 1, 25, 30, and 42
Enter your Social Security number (SSN) as it appears on your Social Security card. If you are a resident of one of the Freely Associated States (i.e., the Republic of Palau, the Republic of the Marshall Islands, or the Federated States of Micronesia) and were issued an identification number beginning with “666” when submitting a FAFSA form previously, enter that number here. If you are a first-time applicant from one of the Freely Associated States, enter “000” in the first three boxes of the Social Security Number field and leave the remaining six positions blank, and we will create an identification number to be used for federal student aid purposes. If you have an Individual Taxpayer Identification Number (ITIN) enter it in the ITIN field.

Contact Information – Questions 2, 26, 31, and 43
We will use your email address to communicate with you electronically. For example, when this FAFSA form has been processed, the student and parent will be notified by email. Your email address will also be shared with your state and the colleges listed on your FAFSA form to allow them to communicate with you.

Common country codes: US (United States), CA (Canada), and MX (Mexico). For U.S. territories, use their state code as their country code (for example, PR for Puerto Rico).

[Notes continue on next page.]
Current Marital Status – Questions 3 and 32
Report your marital status as of the date you sign your FAFSA form. If your marital status changes after you sign your FAFSA form, check with the financial aid office at the college.

For parents: Do not include any person who is not married to the student’s parent and who is not a legal parent. Contact 1-800-433-3243 for help.

If the student’s legal parents are:
  • married, select “Married” or “Remarried.”
  • not married to each other and live together, select “Unmarried and both legal parents living together.”
  • divorced but living together, select “Unmarried and both legal parents living together.”
  • separated but living together, select “Married,” not “Divorced” or “Separated.”

Personal Circumstances – Question 5
Active Duty: Select this box if you are currently serving in the U.S. armed forces or are a National Guard or Reserves enlistee who is on active duty for other than state or training purposes. Do not check the box if you are a National Guard or Reserves enlistee who is on active duty for state or training purposes.

Veteran: Select this box if you (1) have engaged in active duty (including basic training) in the U.S. armed forces, or are a National Guard or Reserves enlistee who was called to active duty for other than state or training purposes, or were a cadet or midshipman at one of the service academies, and (2) were released under a condition other than dishonorable. Also answer the box if you are not a veteran now but will be one by June 30, 2024.

Do not select the box if you (1) are currently serving in the U.S. armed forces and will continue to serve through June 30, 2025, (2) have never engaged in active duty (including basic training) in the U.S. armed forces, (3) are currently a ROTC student or a cadet or midshipman at a service academy, (4) are a National Guard or Reserves enlistee activated only for state or training purposes, or (5) were engaged in active duty in the U.S. armed forces but released under dishonorable conditions.

The term “active duty for training” means: (A) full-time duty in the armed forces performed by Reserves for training purposes; (B) full-time duty for training purposes performed as a commissioned officer of the Reserve Corps of the Public Health Service (i) on or after July 29, 1945, or (ii) before that date under circumstances affording entitlement to “full military benefits”, or (iii) at any time, for the purposes of chapter 13 of this title; (C) in the case of members of the Army National Guard or Air National Guard of any State, full-time duty under section 316 (duty as instructors at rifle ranges for the training of civilians in the use of military arms), 502 (Required drills and field exercises), 503 (Participation in field exercises), 504 (National Guard schools and small arms competitions), or 505 (Army and Air Force schools and field exercises) of title 32, or the prior corresponding provisions of law; (D) duty performed by a member of a Senior Reserve Officers’ Training Corps program when ordered to such duty for the purpose of training or a practice cruise under chapter 103 of title 10 for a period of not less than four weeks and which must be completed by the member before the member is commissioned; and (E) authorized to go to or from such duty. The term does not include duty performed as a temporary member of the Coast Guard Reserve.

The term “inactive duty training” means: (A) duty (other than full-time duty) prescribed for Reserves (including commissioned officers of the Reserve Corps of the Public Health Service) by the Secretary concerned under section 206 of title 37 or any other provision of law; (B) special additional duties authorized for Reserves (including commissioned officers of the Reserve Corps of the Public Health Service) by an authority designated by the Secretary concerned and performed by them on a voluntary basis in connection with the prescribed training or maintenance activities of the units to which they are assigned; and (C) training (other than active duty for training) by a member of, or applicant for membership (as defined in section 8140[g] of title 5) in, the Senior Reserve Officers’ Training Corps prescribed under chapter 103 of title 10.

Orphan: Select this box if at any time since you turned 13, you had no living parent, even if you are now adopted.

Ward of the Court: Select this box if at any time since you turned 13, you were a dependent or ward of the court, even if you are no longer a dependent or ward of the court today. For federal student aid purposes, someone who is incarcerated is not considered a ward of the court.

Foster Care: Select this box if at any time since you turned 13, you were in foster care, even if you are no longer in foster care today. If you are not sure if you were in foster care, check with your state child welfare agency. You can find that agency’s contact information at childwelfare.gov/nfcad.

Emancipation: Select this box if you can provide a copy of a court’s decision that, as of today, you are an emancipated minor. Also select the box if you can provide a copy of a court’s decision that you were an emancipated minor immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court’s decision was issued. Do not select the box if you are still a minor and the court decision was no longer in effect or the court decision was not in effect at the time you became an adult.

Legal Guardianship: The definition of legal guardianship does not include your parents, even if they were appointed by a court to be your guardians. You are also not considered a legal guardian of yourself. Select this box if you can provide a copy of a court’s decision that, as of today, you are in legal guardianship. Also select the box if you can provide a copy of a court’s decision that you were in legal guardianship immediately before you reached the age of being an adult in your state. The court must be located in your state of legal residence at the time the court’s decision was issued. Do not select the box if you are still a minor and the court decision was no longer in effect or the court decision was not in effect at the time you became an adult. Also leave the box blank and contact your school if custody was awarded by the courts and the court papers say “custody” (not “guardianship”).

If you meet any of these conditions, the financial aid administrator at your school may require you to provide proof that you were in foster care, a dependent or ward of the court, an emancipated minor, or in legal guardianship.

Other Circumstances – Question 6
“Homeless” means lacking fixed, regular, and adequate housing. You may be homeless if you are living in shelters, parks, motels, hotels, public spaces, camping grounds, cars, abandoned buildings, or temporarily living with other people because you have nowhere else to go. Also, if you are living in any of these situations and fleeing an abusive parent, you may be considered homeless even if your parent would otherwise provide a place to live.

“Unaccompanied” means you are not living in the physical custody of your parent or guardian. If you selected “Yes” to being unaccompanied and homeless (or unaccompanied, self-supporting, and at risk of being homeless) at any time on or after July 1, 2023, select the appropriate box if you received a determination to that effect. (The financial aid administrator at your college may ask you for a copy of the determination.) If you answered “Yes” but did not receive a determination from the persons listed, select “None of these apply” and contact the financial aid administrator at your college. This person can determine if you are “homeless” and, therefore, not required to provide parent information.

Citizenship – Question 13
If you are an eligible noncitizen, write in your eight- or nine-digit

**Tax Filing Status – Questions 19, 27, 37, and 44**

If you filed a foreign return, convert all monetary units to U.S. dollars, using the published exchange rate in effect for the date nearest to today’s date. To view the daily exchange rates, go to federalreserve.gov/releases/h10/current.

**Questions 38 (Parent) and 45 (Other Parent):** In question 38, parent spouse information should only be included if the parent is married and filed jointly with the current spouse; otherwise, the spouse must complete question 45 in the Other Parent section. In question 45, the parent spouse should only provide their own information and not the parent’s information.

Includes AmeriCorps benefits (awards, living allowances, and interest accrual payments), as well as grant and scholarship portions of fellowships and assistantships.

**Assets – Questions 22 and 40**

**Net worth** means the current value, as of today, of investments, businesses, and/or investment farms, minus debts related to those same investments, businesses, and/or investment farms. When calculating net worth, use 0 for investments or properties with a negative value.

**Investments include** real estate (do not include the home in which you live), rental property (includes a unit within a family home that has its own entrance, kitchen, and bath rented to someone other than a family member), trust funds, UGMA and UTMA accounts, money market funds, mutual funds, certificates of deposit, stocks, stock options, bonds, other securities, installment and land sale contracts (including mortgages held), commodities, etc.

**Investments also include** qualified educational benefits or education savings accounts (e.g., Coverdell savings accounts, 529 college savings plans and the refund value of 529 prepaid tuition plans). For a student who does not report parental information, the accounts owned by the student (and/or the student’s spouse) are reported as student investments in question 22. For a student who must report parental information, the accounts are reported as parental investments in question 40, including all accounts owned by the student and all accounts owned by the parents for any member of the household.

**Investments do not include** the home you live in, the value of life insurance, ABLE accounts, retirement plans (401[k] plans, pension funds, annuities, non-education IRAs, Keogh plans, etc.) or cash, savings and checking accounts reported in the previous question.

**Investments also do not include** UGMA and UTMA accounts for which you are the custodian, but not the owner.

**Investment value** means the current balance or market value of these investments as of today. Investment debt means only those debts that are related to the investments.

**Colleges – Question 23**

Indicate the schools that you want to receive your FAFSA information. You can find federal school codes at StudentAid.gov/fafsa-app/FSCsearch or by calling 1-800-433-3243. If you cannot obtain a code, write in the complete name, address, city, and state of the college. If you want more schools to receive your FAFSA information, read **What is the FAFSA form?**, on page 3. Most of the information you included on your FAFSA form, except for the list of colleges, will be sent to each of the colleges you listed. In addition, most of your FAFSA information, including the list of colleges, will be sent to your state grant agency.

For federal student aid purposes, it does not matter in what order you list your selected schools. However, the order in which you list schools may affect your eligibility for state aid. Consult your state agency or StudentAid.gov/order for details.
