Hi David,
Are you folks available for any of these briefing times for interagency reviewers? Will you let me know as soon as possible? I would like to distribute the rule today to interagency reviewers and include the briefing time in that distribution.

Wed. (5/2) 9:30am

Thurs. (5/3) 10am, 11am

Will you also send over the "Background Technical Support Document" mentioned on page 22? Later in the preamble, EPA references "the TSD" which I assume is the Background TSD and that there are not more TSDs? It would be helpful to know if there are more than just on TSD that is referenced in the preamble.

Thanks,

Chad
