Elke- Any chance 9:30-10:30a Monday? Other times that you suggest, 10-11, 11:30-12:30 or 2:30-3:30 on Monday, unfortunately do not align with EPA folks that need to be there. If 9:30-10:30a doesn't work, we may need to look into Tuesday or Wednesday of next week.

Thanks,

Amy

Amy, just tried your phone. DOJ is available all day Monday except for 3:30-4:30. On Friday DOJ has a hard stop at 3 so Friday won't work.

OMB can do 10-11, 11:30-12:30 or 2:30-3:30 on Monday. What works for EPA on Monday?

Hi Amy, circling back to this. DOJ has availability this Thursday. I think I can only make the morning time. Does that work for EPA?

ENRD is available before 10:30 and after 3:30 on Thursday.

I struck out with DOJ. They can't do until after the 2nd it turns out. We'll likely have to wait to schedule until after the 4th.

Amy, we're working on getting comments back to you. In the meantime, DOJ has requested a call to transmit their comments. Can EPA fit in a call either 6/28, 7/1, or 7/2?
