Federal Aviation Administration

Notice of Opportunity for Public Comment on a Proposed Release of Airport Property for Non-Aeronautical Use at Curtis Field Airport, Brady, TX

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice.

SUMMARY: The FAA is considering a request from Curtis Field Airport to

release approximately 0.39 acres of airport property located on U.S. Route 377 on the eastern portion of the Airport property as shown on the approved Airport Layout Plan (ALP).

DATES: Comments must be received on or before May 5, 2022.

ADDRESSES: Send comments on this document to Mrs. Jessica Bryan, Federal Aviation Administration, Texas Airports District Office, 10101 Hillwood Parkway, Fort Worth, TX 76177.

FOR FURTHER INFORMATION CONTACT: Ms. Lisa Perry, Airport Manager, Curtis Field Airport, 3825 N Bridge Street, Brady, TX 76825, telephone 325-597-2152; or Mrs. Jessica Bryan, Federal Aviation Administration, Texas Airports District Office, 10101 Hillwood Parkway, Fort Worth, TX 76177, telephone (817) 222-4039. Documents reflecting this FAA action may be reviewed at the above locations.

SUPPLEMENTARY INFORMATION: The proposal consists of 0.39 acres of airport property (Tract 1) which was part of 325.09 acres of land that was conveyed to the City of Brady via a Quitclaim Deed dated November 22, 1946, by the United States of America acting by and through the War Assets Administrator under the provisions of the Surplus Property Act of 1944. This portion of land is outside the forecasted need for aviation development and is not needed for indirect or direct aeronautical use. A water tower will be constructed on the converted parcel, as part of the City of Brady's water improvement project. This new water tower will increase water pressure and supply needed to support improvements to the City, the Airport, and Airport Operations. Approval does not constitute a commitment by the FAA to financially assist in the conversion of the subject airport property nor a determination of eligibility for grant-in-aid funding from the FAA. The disposition of proceeds from the conversion of the airport property will be in accordance with FAA's Policy and Procedures Concerning the Use of Airport Revenue, published in the **Federal Register** on February 16, 1999. In accordance with section 47107(h) of title 49, United States Code, this notice is required to be published in the **Federal Register** 30 days before modifying the land-use assurance that requires the property to be used for an aeronautical purpose.

Issued in Fort Worth, TX, on March 30, 2022.

Ignacio Flores,

Director, Airports Division, FAA, Southwest Region.

[Docket No. FAA-2021-0549]

Agency Information Collection

Activities: Requests for Comments; Clearance of a Renewed Approval of Information Collection: Part 65—Certification: Airmen Other Than Flight Crewmembers, Subpart C—Aircraft Dispatchers and Appendix A to Part 65—Aircraft Dispatcher Courses

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 24, 2021. The collection involves the information that each applicant for an aircraft dispatcher certificate or FAA approval of an aircraft dispatcher course must submit to the FAA. These applications, reports and training course materials are provided to the local Flight Standards District Office of the FAA that oversees the certificates and FAA approvals. The collection is necessary for the FAA to determine qualification and the ability of the applicant to safely dispatch aircraft. Without this collection of information, applicants for a certificate or course approval would not be able to receive certification or approval. The collection of information for those who choose to train aircraft dispatcher applicants is to protect the applicants by ensuring that they are properly trained.

DATES: Written comments should be submitted by May 5, 2022.

ADDRESSES: Written comments and recommendations for the proposed information collection should be sent within 30 days of publication of this notice to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 30-day Review—Open

for Public Comments" or by using the search function.

FOR FURTHER INFORMATION CONTACT:

Sandra L. Ray by email at: Sandra.ray@faa.gov; phone: 412-329-3088.

SUPPLEMENTARY INFORMATION: Public

Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0648.

Title: Part 65—Certification: Airmen Other Than Flight Crewmembers, Subpart C—Aircraft Dispatchers and Appendix A to Part 65—Aircraft Dispatcher Courses.

Form Numbers: None.

Type of Review: Renewal of an information collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on June 24, 2021 (86 FR 33469). This collection involves the information that each applicant for an aircraft dispatcher certificate or FAA approval of an aircraft dispatcher course must submit to the FAA to comply with 14 CFR part 65, subpart C and Appendix A. These applications, reports and training course materials are provided to the responsible Flight Standards Office of the FAA that oversees the certificates and FAA approvals.

This collection involves the knowledge testing that each applicant for an aircraft dispatcher certificate must successfully complete or information required to obtain FAA approval of an aircraft dispatcher course in order to comply with 14 CFR part 65, subpart C and Appendix A. These applications, reports and training course materials are provided to the responsible Flight Standards Office of the FAA which oversees the certificates and FAA approvals.

The collection is necessary for the FAA to determine qualification and the ability of the applicant to safely dispatch aircraft. Without this collection of information, applicants for a certificate or course approval would not be able to receive certification or approval. The collection of information for those who choose to train aircraft dispatcher applicants is to protect the applicants by ensuring that they are properly trained.
