Dear Kelley J. Neubecker:

The following information is required to continue processing your petition for an amendment to Exemption No. 18034A, Docket No. FAA-2018-0604, submitted on behalf of Homeland Surveillance & Electronics, LLC, for addition of the HSE M6A Pro G200 UAS. Please address all applicable items listed below. We request you provide the information to us no later than December 15, 2020.

1. Please describe the UAS command and control (C2) signal frequency and security. What is the signals' usable range?
2. Does dispensing or spray operation terminate when the UAS command and control (C2) signal link is lost?
3. Does dispensing or spray operation terminate when the return-to-launch/return-to home function is activated?
4. Please provide a normal operating procedures checklist.
5. Please provide an abnormal or emergency procedures checklist.

The requested information listed above should be in sufficient detail to enable the FAA to conduct a thorough risk-based evaluation of your proposed operation in order to determine that the operation can be safely conducted.

Please submit the additional information (non-proprietary) as a comment to your docket at [www.regulations.gov](http://www.regulations.gov), and save the tracking number generated after submission. Proprietary information may be submitted electronically to Jake Troutman and John Attebury at [Jake.troutman@faa.gov](mailto:Jake.troutman@faa.gov) and [John.h.Attebury@faa.gov](mailto:John.h.Attebury@faa.gov), respectively.

If you want us to process your request any further, we must receive the information described above by December 15, 2020. If we do not receive the information, we will close the docket without notifying you further. If you have any questions or require additional time you may email us at [john.h.attebury@faa.gov](mailto:john.h.attebury@faa.gov) or call 281-443-5862.

Sincerely,

John H. Attebury
