Dear Brian,

Thank you for your email. We confirm that Plus Ultra is still seeking the relief requested in its original petition.

Please find attached work order for proof of implementation of ADS-B DO-260B for its A340-600 (Reg. EC-NFQ).

Previously we submitted work orders with proof of implementation regarding Plus Ultra's two A340-300 (Regs. EC-MQM & EC-NBU), please see the attached email documenting those submissions.

We would greatly appreciate an expedited review of this petition, as it has hindered Plus Ultra's ability to operate to/from the US for a considerable amount of time. To that end, are you able to provide us with a timeline for your review?

Best regards, Laura
