My name is Vincent Lopardo, Director of Operations, South Coast Helicopters Inc, Certificate No. UOSA109T. I would like to apply for Exemption No. 18510B, Regulatory Docket No. FAA-2020-0292. This Exemption is for one pilot. The justification for this request is due to COVID-19 concerns FAA personnel are not readily available to conduct Part 135 check rides for South Coast Helicopters pilots.

- Vincent Lopardo, Certificate [REDACTED] Comm. - Rotorcraft - Helicopter 135.293(A)(B) & 135.299 – Mr. Lopardo is due (Base) June 30th 2020 - Extend to Oct 31st 2020

Sincerely,

Vincent Lopardo
Director of Operations
