Subject: G.F. AIR, LLC. - Letter of Intent to exercise exemption No. 18510B (COVID-19) concerning crew currency and testing requirements.

To whom it may concern:

G.F. AIR, LLC. (Part 119 Certificate Number M20A2021) request to exercise Exemption No. 18510B (COVID-19), for the purpose of flight crew currency and testing requirements. G.F. AIR, LLC, currently does not have an accepted SMS, a safety risk assessment program; therefore, in order to comply fully with the exemption, G.F. AIR, LLC, will have an independent evaluation of its flight crew by a training facility or person approved by the Principle Operations Inspector for G.F.AIR, LLC. Currently, G.F. AIR, LLC utilizes and is approved to use Flight Safety /Textron Aviation (PART 142 training simulator based) for initial, recurrent training and required PART 135 checks. G.F. AIR, LLC last completed recurrent training and checks were conducted in May 2020 and are currently scheduled again for November 2020 to meet the next obligation of recurrent training and checks. G.F. AIR, LLC also completes and documents the 90 day night takeoff and landing requirements (FAR 135.247) to ensure compliance. The main reason for the exemption request is to meet with line check (FAR 135.299) requirement that currently has a base month of July 2020.

G.F. AIR, LLC continues to strive for safety risk mitigation, while conforming to crew flight currency and training during this difficult time. Please feel free to contact me should you have any questions or concerns at the contact information below.

Stay safe and proficient!
