Re: Letter of Intent for Exemption No 18511A (Regulatory Docket No. FAA-2020-0308)

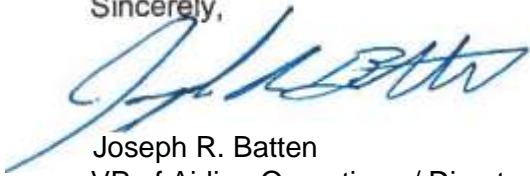

Mr. Carty:

National Air Cargo Group, Inc. Dba: National Airlines (U2RA944L) located at 5955 T.G. Lee Boulevard, Suite 500, Orlando, Florida 32822-4457 would like to exercise the options for exemptions from §§121.401(b), 121.411(g), 121.412(g), 121.413(b), 121.414(b), 121.439(b), and 121.1005(d) of Title 14, Code of Federal Regulations.

National Airlines operates worldwide with our passenger Boeing 757-200 aircraft and cargo Boeing 747-400 aircraft. National Airlines would like to revise Operations Specifications A005 to include Exemption 18511A (an extension to the previously approved 18511). This is due to the COVID-19 pandemic and the safety of our employees and families. A safety risk analysis (SRA) will be completed and will be available in WBAT. We intend to comply with the conditions and limitations that are included with this exemption until it is superseded or rescinded.

If you require any additional information or have any questions or concerns, please do not hesitate to contact me.

Sincerely,

Joseph R. Batten
VP of Airline Operations / Director of Operations
