Dear Mr. Konie:

This responds to your message, received by ZIPAIR Tokyo Inc. ("ZIPAIR") on June 26, 2021 and posted to the docket on June 30, 2021, asking whether, given the passage of time since submission of its July 22, 2020 petition in Docket No. FAA-2020-0737, ZIPAIR still requires the relief, or whether ZIPAIR wishes to withdraw the petition. In response, ZIPAIR states that it still requires the requested relief and it does not wish to withdraw the petition. The facts remain unchanged from those set forth in the petition, except that ZIPAIR has since received all of the required authorities to launch service to/from the United States, and in fact ZIPAIR did so, commencing service between Tokyo and Honolulu in December 2020. ZIPAIR urges FAA to grant the limited exemption for the reasons stated in its petition.

Kind regards.
