RE: Request for Hearing – Reliable Jet Maintenance LLC, FAA Case No. 2020SO950006

Pursuant to 14 CFR part 13.16 (f)(3), we formally request a hearing on the above case to address the proposed civil penalty in the amount of \$8,000.00. It is our position that for a first-time violation, the proposed penalty amount is excessive and will impose a financial burden on the company.

As of January, this year, Mr. Johnathan Burls is no longer associated with Reliable Jet Maintenance LLC. Please send all future correspondence associated with the above case to my attention.

Sincerely,

A handwritten signature in black ink, appearing to read 'James C. Stormont', is written over a horizontal line.
