

- Enhance the quality, utility, and clarity of the information to be collected.
- Minimize the reporting burden on those who are to respond, including the use of automated collection techniques or other forms of information technology.

Please note that comments submitted in response to this Notice are public record. Before including any detailed personal information, you should be aware that your comments as submitted, including your personal information, will be available for public review.

Abstract of Proposed Collection

The Request to Change End-User, End-Use and/or Destination of Hardware information collection is used to request DDTC approval prior to any sale, transfer, transshipment, or disposal, whether permanent or temporary, of classified or unclassified defense articles to any end-user, end-use or destination other than as stated on a license or other approval.

Methodology

Applicants are referred to ITAR 123.9 for guidance on information to submit regarding the request to change end-user, end-use and/or destination of hardware. A DS-6004 may be submitted electronically through DDTC's case management system, The Defense Export Control and Compliance System (DECCS), accessed through DDTC's website.

SUPPLEMENTARY INFORMATION: The Federal Aviation Administration (FAA), in accordance with the Paperwork Reduction Act of 1995 (PRA) (44 U.S.C. 3506(c)(2)(A)), provides the general public and Federal agencies with an opportunity to comment on proposed, revised, and continuing collections of information. This helps the FAA assess the impact of its information collection requirements and minimize the public's reporting burden.

The FAA invites comment on any aspect of this information collection, including (a) whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information.

OMB Control Number: 2120-0661.

Title: Competition Plans, Passenger Facility Charges.

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an Information Collection.

Background: The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on April 21, 2020 (85 FR 22244). The DOT/FAA will use any information submitted in response to this requirement to carry out the intent of Title 49, Sections 40117(k) and 47106(f). These rules assure that a covered airport has, and implements, a plan that provides opportunities for competitive access by new entrant air carriers or air carriers seeking to expand. The affected public includes public agencies controlling medium or large hub airports.

Respondents: 5 affected airports annually.

Frequency: On occasion.

Estimated Average Burden per

Response: Approximately 150 hours.
