E. IMPORT OF SPORT-HUNTED BONTEBOK TROPHIES from South Africa

Note 1: If you hold an import permit for trophy/trophies that you did not use, please return the unused original permit. If you are requesting reissuance of a permit because you have taken a trophy, but were unable to import it prior to the expiration of the permit, please use the renewal form, (3-200-52), <http://www.fws.gov/international/permits/by-form-number/index.html> and return your original permit with that form.

Note 2: The bontebok is listed as endangered under the Endangered Species Act. Applications for endangered species permits must be published in the Federal Register for a 30-day public comment period. Allow at least 90 days for the application to be processed.

Note 4: USFWS has determined that a trophy consists of raw or tanned parts of a specimen taken by a hunter during a sport hunt for personal use. It may include the bones, claws, hair, head, hide, hooves, horns, meat, skull, teeth, tusks, or any taxidermied part, including, but not limited to, a rug or taxidermied head, shoulder, or full mount. Mr. B. Marais
P.O. Box 558
Langkloof
Cradock

Dear Mr. B. Marais

REGISTRATION OF BONTEBOK.

It is my pleasure to inform you that your Bontebok herd (7) on the property Langkloof Cradock has been registered as a pure herd. Congratulations!

The registration is done, based on the declaration received from you dated 20 October 2016 & DNA results which state that since the introduction of this herd, no contamination by any Blesbuck, took place. The registration is done for the property Langkloof in the said town of the Eastern Cape.

This certification is extremely valuable and you should do everything possible to retain the purity of your herd. Export permits for sport-hunted bontebok trophies and permits to capture, sell and transport bontebok, will only be issued in respect of registered herds.

Periodic re-inspections of registered herds will be carried out in future and it is in your own interest to ensure that no contamination of your valuable herd occurs. In the case of any possible contamination, this office must immediately be informed.

Once again, congratulations and thanks for your contribution towards Environmental Conservation.

This letter serves as an official proof of your registration.

Yours truly,

P. Mzazi-Geja
