3. Certification: I hereby certify that I have read and am familiar with the regulations contained in Title 50, Part 13 of the Code of Federal Regulations and the other applicable parts in subchapter B of Chapter I of Title 50, and I certify that the information submitted in this application for a permit is complete and accurate to the best of my knowledge and belief. I understand that any false statement herein may subject me to the criminal penalties of 18 U.S.C. 1001. Signature (in blue ink) of applicant/person responsible for permit (No photocopied or stamped signatures) <i>[Signature]</i> Date of signature (mm/dd/yyyy) 7/25/17 7/25/17	

I, [your name] of [facility name] authorize the U.S. Fish and Wildlife Service to include my complete address in its CBW registration list and to release this information to other CBW holders or the public, if requested. I would also like the Service to use the following address on the CBW registration list: [indicated either you mailing address or facility address as identified in your application].

Signed _____

Date _____

OR

I, [your name] of [facility name] DO NOT authorize the U.S. Fish and Wildlife Service to include my complete address in its CBW registration list.

Signed _____

Date _____

17. Name and address where you wish the permit to be mailed (if different from page 1):

18. If you wish the permit to be delivered by means other than USPS regular mail, provide an air bill, pre-paid envelope, or billing information. If you do not have a pre-paid envelope or air bill and wish to pay for a courier service with your credit card, please check the box below. Please DO NOT include credit card number or other information; you will be contacted for this information.

☐ If a permit is issued, please send it via a courier service to the address on page 1 or question 20. I understand that you will contact me for my credit card information once the application has been processed. If you wish the permit to be delivered by means other than USPS regular mail, provide an air bill, pre-paid envelope, or billing information. If you wish for us to send the permit via FedEx where you pay with a credit card, please state this below (do NOT include credit card number or other information), you will be contacted for this information.

19. Who should we contact if we have questions about the application? (Include name, phone number, and email):

20. **Disqualification Factor.** A conviction, or entry of a plea of guilty or nolo contendere, for a felony violation of the Lacey Act, the Migratory Bird Treaty Act, or the Bald and Golden Eagle Protection Act disqualifies any such person from receiving or exercising the privileges of a permit, unless such disqualification has been expressly waived by the Service Director in response to a written petition. (50 CFR 13.21(c)) Have you or any of the owners of the business, if applying as a business, been convicted, or entered a plea of guilty or nolo contendere, forfeited collateral, or are currently under charges for any violations of the laws mentioned above?

☐ Yes ☒ No If you answered "Yes" provide: a) the individual's name, b) date of charge, c) charge(s), d) location of incident, e) court, and f) action taken for each violation.

1. The scientific name (genus, species and if applicable, subspecies) and common name of each species you are seeking to have covered by the registration.

Arabian Oryx (*Oryx leucoryx*)

Ring-tailed Lemur (*Lemur catta*)

Black and white ruffed lemur (*Varecia variegata variegata*)

Brown lemur (*Eulemur fulvus*)

Diana Monkey (*Cercopithecus diana*)

Lar gibbon (*Hylobates lar*)

2. The exact location (address) where the wildlife requested in this application will be maintained. If more than one location exists, list all that apply.

NOTE: You must report any change in address to the Division of Management Authority within 10 days:

**13850 Hwy 46 West
Spring Branch, TX. 78070**

3. The name, address, and CBW registration number of the person(s) or institution(s) from whom you plan to acquire the wildlife.

Not expected to make any purchases

4. Provide a current inventory, including those out on loan, of the ESA-listed species you are requesting to include in a CBW registration.

Attached spread sheet

5. Provide a specific description of how your proposed activities are going to facilitate captive breeding for conservation purposes of the species identified above, **including your long-term goals and intended disposition of any progeny.**

I am a Breeder/Broker

6. Provide documentation showing how your captive population is being managed to maintain its genetic vitality. If you do not currently maintain specimens in each species request to maintain the genetic vitality of the species, you must participate in an organized breeding program, such

as Species Survival Plan. Please indicate this and provide documentation describing the objectives and goals of the program.

I do not inbreed

7. If your activities include the holding of surplus wildlife for an organized management program, document how your acquisition of such wildlife will relieve crowding at the locations from which the wildlife will be obtained, and thereby assist the breeding program for the species involved. If applicable, provide documentation that you are a participant in an organized management program where the holding of surplus wildlife has been identified as a necessary objective of the breeding program. If your purpose is to hold surplus wildlife, provide description of how you will restrict/control breeding at your facility.

I do not hold surplus

8. If you conduct research directly related to maintaining and propagating the types of wildlife sought to be covered, provide a complete description of your research goals and methods as well as any related published papers you have written.

I do not conduct research

9. For each requested species, provide a description of your experience in maintaining and propagating the requested species or similar species, including:
- a. The number of years you or the facility has/have maintained the requested species or similar species.

I have been doing this report since 1995

- b. During the past five years, how many (by species, by year) successful births/hatches of each requested species or similar species have occurred at your facility? How many survived beyond 30 days?

Attached spread-sheet

- c. How many mortalities of requested species or similar species, have occurred at your facility during the past five years? What were the causes? What measures have you taken to prevent future mortalities?

Attached spread-sheet

- d. A brief resume for all senior animal care staff or personnel that will be working with or maintaining of each species requested.

Reed Gardner- Ranch foreman: Handles all feeding, darting and basically all the daily care of animals. He is very qualified.

10. Provide a detailed description, including size, construction materials, and protection from the elements, and photographs and detailed diagrams (no blueprints, please) clearly depicting your **existing** facilities where wildlife will be maintained.

The White-handed Gibbon (Joe-Joe and Thomas)P enclosure is 28 feet long by 10 feet wide; however there is a solid wall down the middle to divide the enclosure making each male's pen 10X14 in size. As you can see in the picture, we have the enclosures tarped for the winter weather. All White-handed Gibbons enclosures are housed together in a fenced are about 5,000 square feet.

Concrete pad, steel wire with metal and wood siding

11. Provide a copy of your license or registration, if any, under the Animal Welfare Act regulations of the U.S. Department of Agriculture (9 CFR 2) and/or any State license or registration you may have.

Attached

This is Joe-Joe and Thomas's Enclosure that measures 28 Feet Long X 10 Feet Wide; however, there is a solid wall down the middle to divide the enclosure making each male's pen 10 x 14 in size. As you can see in the picture, we have the enclosures tarped for the winter weather. All the White-Handed Gibbons enclosures are housed together in a fenced in area about 5,000 square feet. I will follow up with more pics of the other two enclosures.

Attached are pics of Miranda's Enclosure which is 10 X 10 with a circumference of 31.4 feet. It is tarped as well for the upcoming winter months.

The attached pics are of Bumble Bee and Stinger's Enclosure. It is 10 x 10 with a 31.4 Circumference just like Miranda's. You can see that they have permanent tree branches and enclosed houses inside the overall enclosure for each pen.

Subject: Re: PRT-751619

Hello,

Please see the email that I sent to your other email address at nbj@jvtc.com. Since this email is not in our systems, I cannot confirm you are an authorized individual to speak on behalf of the park.

Thank you,

Kathleen

KATHLEEN,

GOOD AFTERNOON,

IS THE ADDITIONAL PAPERWORK YOU ARE REQUIRING US TO SUBMIT QUESTIONS 1-11 OF PART 1 NEW APPLICATIONS OR RENEWAL OF CBW THAT ARE OLDER THEN 10 YEARS?

THERE IS INSUFFICIENT SPACE ON THE APPLICATION TO ANSWER SOME OF THE QUESTIONS IN DETAIL. DO YOU HAVE A FORM WITH JUST THESE QUESTIONS ALONE ?

PLEASE ADVISE AS TO IF I AM CORRECT IN MY ASSUMPTION AND IF THERE IS ANY OTHER INFORMATION THAT WAS OMITTED.

THANK YOU FOR YOUR COOPERATION IN THIS MATTER.

I WILL EXPECTIING YOUR REPLY AS SOON AS POSSIBLE SO AS I MAY SUBMIT THE NECESSARY INFORMATION IN ORDER TO COMPLETE OUR RENEWAL PROCESS.

THANK YOU

SHELLEY OLIVIER

We received your application for an Endangered Species (CITES) Endangered Species Act (ESA) authorization to engage in interstate commerce under the Captive-bred Wildlife Registration. The processing of your application cannot be completed because:

1. You did not submit any of the pages nor did you answer any of the questions regarding how your breeding operation is to the benefit of the requested species. As per the email that was sent to your organization by Mr. Tim Van Norman back in January 2015, we expect all CBW holders to submit a new application every 10 years with all NEW information pertaining to the need for the requested species, information regarding your facilities and your expertise caring for the requested species, and how your breeding operation is able to maintain a genetically viable population. Since you did not submit any of this information, as you only submitted pages 1 and 4 of the application, I assume this was an oversight on your part.

Please submit the requested information above answering Each question for EACH species you wish to maintain under a captive-bred wildlife registration. Provided you answer these questions, I can move forward with publishing your request in the Federal Register. This only means that we are giving the public time to comment directly on your activities and does not imply that a decision by our office has been made.

If we do not receive the information requested above within 45 days from the date of this e-mail, your application will be abandoned and administratively closed. Once the file is closed, you would need to submit a new application and all required fees.

If you have questions, you may contact me at Kathleen_Moore@fws.gov or at 5275 Leesburg Pike Falls Church, VA 22041, (telephone number 1-800-358-2104, ext. 2511; facsimile transmission number 703-358-2281). Please reference your file number, PRT-751619.
