To whom this may concern,

I am writing to submit our nomination of Robin Medlock to serve on the National Advisory Committee on Occupational Safety and Health in the category of Occupational Safety. Mr. Medlock is aware of his nomination and is willing to serve on the committee.

As you will read in the attached resume, Mr. Medlock served as the Cleveland OSHA Area Director for 20 years, retiring at the beginning of this year. During his tenure as Area Director, he led his office to conduct over 17,000 inspections that included 40 significant cases. Under his guidance, The Cleveland Area Office became one of the largest and most successful Area Offices in OSHA.

Your consideration of Mr. Medlock for this position is greatly appreciated. If you have any questions or require any further information, please call Safety Controls Technology at 1-800-204-1729. Thank you.

Sincerely,

Matt Beargie
